## Objective:

Players follow the trail of clues, collecting cards and exchanging them for gold coins, until they find the golden treasure bar.

## Set-Up:

Step 1: Choose the 10 clue cards you wish to use for the trail.

*Choose riddle clues for older kids, picture clues for younger kids, or both when playing with mixed ages. Make sure you lay the trail while the kids are not looking!*

*Play indoors and out:  
Use yellow clue cards for indoor trails; Green for outdoor trails; Purple for indoor & outdoor trails.*

Step 2: Select your first card (e.g. BED) and place face down on the game board.

Step 3: Walk to your first "location" (e.g. BED).

Hide the SECOND card (e.g. TABLE) in this location.

Step 4: Walk to your next "location" (e.g. TABLE). Hide the THIRD card here.

Step 5: Repeat until you have hidden all 9 cards.

Step 6: Walk to the final "location" and hide the golden treasure bar.

Add an additional treat inside if you wish.

Step 7: Return to the game board and place 9 gold coins on the circles shown on the board.

*Older kids love the challenge of laying trails for younger ones or creating clues using the blank cards!*

## Playing the game:

Call the child(ren) to the game board and give them the loot bag. Explain they are about to go on an adventure to find treasure. Players should work as a team to find each clue card in turn.

To start: turn over the card on the game board and lay it face up. Players should then proceed to that "location" to begin the trail and find the next clue!

Each time they find a clue, players must return to the game board, place the clue on the board, and exchange it for one gold coin, which is collected in the red loot bag.

The game ends when the players find the golden treasure bar. To prove they have completed the trail, all 10 clue cards should be face up on the board, and 9 gold coins should be in the loot bag.

### CLAIM YOUR FREE EBOOK FOR MORE GOTROVO FUN

There are lots of other ways to have fun with your GoTrovo Game! Who'd enjoy a race or scavenger hunt? If you want to know how then claim your free 'Making the most of GoTrovo' ebook! It's full of ideas for scavenger hunts, party games and forfeits!
